

**Required body measurements**

**Measurements**

We would like our measurements to be: -

- |                     |   |
|---------------------|---|
| Chest / bust        | (taken at fullest area)   |
| Waist               | (natural waistline at naval)  |
| Height              |   |
| Weight              |   |
| Hip, if needed      | (at fullest part of hip, aprox 9" below waistline)                  |
| Out seam, if needed | (measure from natural waistline at naval to desired trouser length) |
